

# Open Studios & Art Trails and at [www.craftanddesign.net](http://www.craftanddesign.net)

Promote your Open Studios and Art Trails on our website throughout the year and also in the relevant issue of craft&design magazine. It's a really cost effective way to publicise your event to a wide and diverse audience, all of whom have a keen interest in craft.

You will find Copy Dates for entries in this year's issues of craft&design Magazine at [www.craftanddesign.net/copydates](http://www.craftanddesign.net/copydates)

Photographs may be emailed to [ads@craftanddesign.net](mailto:ads@craftanddesign.net) or sent on a CD to the address opposite. For best reproduction, photographs should be high resolution files 300dpi. To avoid any confusion, files should be saved with the Maker's Name as the File Name and supplied clearly marked with the name of the Open Studios event that they relate to.
